Calling is now the order of the day. You can't do it properly unless you are equipped with engraved cards. They are artistic; all others have been relegated to days of barbarism. If you haven't the proper thing, we will get them for you. They cost no more than the cheap printed or poorly written ones and besides, you are up with the times.

If you have a plate we will get you two latest cards for \$1.00, or have your name engraved at \$1.50 per hundred.

We have samples and designs in handsome Wedding Invitations, At Home Cards at prices that will get your trade.
